

## Warranty Extension for Sungrow Inverters in Australia

Sungrow warrants the inverters will be free from defects in materials and workmanship for a period of five (5) years from the date of installation of the relevant Inverter, but no more than six (6) years from the manufacturing date of that Inverter (whichever comes first). Hereinafter, this standard warranty will be referred to as the 5 Years Standard Warranty.

Warranty extension grants the inverter an additional 5 years of parts or standard warranty, as described below:

- **Add 5 Years Parts Warranty:** This adds 5 years parts warranty is applicable from the 6th to the 10th years and will only cover the cost of the replacement material (a relevant part or an equivalent replacement), but it will not cover any freight costs and service rebates to cover labour costs for removal and replacement or costs associated with any other service.
- **Add 5 Years Standard Warranty:** This adds 5 years standard warranty is applicable from the 6th to the 10th years and includes PARTS warranty benefits as set out below but will also cover standard freight costs and standard service rebates to cover labour costs of replacement.

The extension covers for the inverters only, accessories such as Solarinfo Logger, SolarInfo WiFi, eShow, Energy Meter and STB5K are not covered by the extended warranty.
